**Understanding End Times Prophecy**-Paul N. Benware 2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

**What Does the Bible Say about the Future?**-Charles H. Dyer 2022-02-01 Anyone can make predictions about the future. The real question is, "What does God have to say about it?" The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. In What Does the Bible Say About the Future?, radio host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to tickle our imagination or satisfy our intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today!

**The End**-Cheri Fields 2021-07-27 The future excites our imaginations. Many people seek out ways to find out what's going to happen to them both soon and far later; we even make movies about the world being destroyed. Any worldview system wide enough to shape a whole life has to answer the ultimate questions of both our beginnings and the far end of history. God knows this and gives us solid answers to both, preparing us for the distant future and helping us shape our lives today. He even presented these answers in a way that has allowed all people in every place and time to benefit. But this means many of us find his predictions of what's coming confusing and scary. This book walks us through the basic biblical texts and ideas to help untangle as many knots as possible, teaching us how to humbly, but boldly, learn to study our Bibles for ourselves. In this study we will take the far end of history in the same way biblical creationists take the beginning: at face value. You will find this

book a clear explanation of how futurist, premillennial, prewrath believers interpret the words of Scripture. So, grab your Bible and a pencil and let's dive in!

**An Outline of the End Times**-PT Nicholson 2016-12-15 An Outline of the End Times is written by a layperson for laypeople. In an attempt to be comprehensive yet concise and thorough, PT Nicholson explores prophetic scripture in relation to the end times. He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties. Combined with exhaustive scripture references, he uses charts, tables, maps, sketches, and graphs to explain issues and analyse topics as succinctly as possible. About 25 percent of the Bible is prophecy and, according to a well-known and respected scholar on Bible prophecy, John Walvoord, five hundred of one thousand prophetic events remain unfulfilled. Yet many Christians have only a vague notion of how end-time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject. An Outline of the End Times serves as a reference resource to help meet this need.

**Biblical Eschatology**-Dr. Justin G. Prock 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean

that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...
